

CAPABILITY STATEMENT

COMPANY OVERVIEW

ThriveOn Concepts is a woman and minority-owned business led by a diverse team of skilled practitioners with a passion for developing leaders.

We span across culture, ethnic and generational lines. Our partners are trained and certified by the International Coaching Federation, and have received credentials showing advanced demonstration of skills in leadership training, facilitation, and coaching practices.

We work with small to medium size companies in the private sector and government agencies at the federal, state, city, county and municipal levels.
